

Northbridge Institute of Technology

Student Handbook 2024-25

This handbook is an official document of the Northbridge Institute of Technology. It contains essential information about academic policies, student services, campus facilities, and regulations that every student must be aware of. All students are expected to read and comply with the provisions outlined in this handbook.

1. General Information

The Northbridge Institute of Technology (NIT) was established in 1985 with the mission of providing world-class technical education. Located on a 250-acre campus in Northbridge, Karnataka, the Institute offers undergraduate, postgraduate, and doctoral programs across twelve departments of engineering, science, and management.

NIT is recognized by the University Grants Commission (UGC) and accredited by the National Board of Accreditation (NBA). The Institute is ranked among the top 50 engineering institutions in India and has a student body of approximately 5,000 students.

1.1 Academic Calendar

The academic year at NIT is divided into two main semesters and an optional summer term:

Term	Duration	Instruction Weeks
Autumn Semester	August – December	14 weeks
Spring Semester	January – May	14 weeks
Summer Term	June – July	6 weeks

1.2 Student Identification

Every enrolled student is issued an NIT Identity Card at the time of admission. The ID card must be carried at all times while on campus and must be presented upon request by Institute authorities, security personnel, or examination staff. Loss of the ID card must be reported to the Student Affairs Office within 24 hours. A duplicate ID card may be obtained upon payment of ₹300.

2. Student Services

2.1 NIT Health Centre

The NIT Health Centre is located adjacent to the main academic block and operates from 8:00 AM to 8:00 PM on all working days. Emergency medical services are available 24 hours a day, seven days a week. The Health Centre is staffed by two full-time physicians, three nurses, and a counsellor. Common medications, first aid, and basic diagnostic services are provided free of charge to all enrolled students.

Medical certificates issued by the NIT Health Centre are accepted for all academic purposes, including attendance exemptions and examination make-up requests. External medical certificates must be from a recognized hospital and are subject to verification by the Health Centre.

2.2 Library

The NIT Central Library houses over 150,000 volumes, including textbooks, reference works, journals, and digital resources. The library is open from 8:00 AM to 11:00 PM on weekdays and from 9:00 AM to 6:00 PM on weekends. Students may borrow up to five books at a time for a period of fourteen days, renewable once. Overdue fines are ₹5 per book per day.

2.3 Counselling Services

The Student Counselling Centre provides confidential counselling services for students experiencing academic stress, personal difficulties, or mental health concerns. Appointments can be made through the SIS portal or by visiting the centre in person. All interactions are strictly confidential and do not appear in the student's academic record.

2.4 Career Development Centre

The Career Development Centre (CDC) manages campus placements, internship programs, and career guidance workshops. The CDC organizes an annual placement drive in the Autumn semester for final-year students. Pre-placement training, including mock interviews and resume workshops, is offered free of charge to all registered students.

3. Attendance Exceptions and Special Provisions

While the standard minimum attendance requirement for semester examinations is 75% (as specified in the Attendance Policy), certain categories of students may be granted attendance relaxation under the following provisions:

3.1 Students with Medical Exemptions

Students who have been granted a medical exemption under the Medical Exemption Policy may be permitted to appear for examinations with reduced attendance. The specific attendance threshold after medical exemption shall be determined by the Dean of Academic Affairs based on the duration and nature of the medical condition.

3.2 Students Representing NIT

Students representing NIT at recognized national or international events (academic, sports, or cultural) may be granted attendance relaxation of up to 10% upon recommendation by the Dean of Student Affairs. This relaxation does not reduce the minimum threshold below 65%.

3.3 Students with Disabilities

Students registered with the Office of Disability Services who have documented conditions affecting regular attendance may receive individualized attendance accommodations. These accommodations are determined on a case-by-case basis and communicated to all relevant course instructors at the beginning of each semester.

3.4 Important Contacts for Attendance Issues

Office	Contact Person	Email	Phone
Academic Affairs	Dr. Ramesh Kumar	dean.acad@nit.edu.in	+91-80-XXXX-1001
Health Centre	Dr. Priya Sharma	health@nit.edu.in	+91-80-XXXX-1002
Student Affairs	Dr. Suresh Patel	dean.sa@nit.edu.in	+91-80-XXXX-1003
Disability Services	Ms. Anita Rao	disability@nit.edu.in	+91-80-XXXX-1004

4. Examination Guidelines for Students

This section summarizes the key guidelines that students must follow during examinations at NIT. For detailed regulations, refer to the Examination Policy (NIT/EXAM/2024-25).

4.1 Before the Examination

- Verify your examination schedule on the SIS portal at least one week before exams.
- Ensure all fees, including the examination fee of ₹2,000, are paid.
- Collect your hall ticket from the SIS portal. A printed copy must be brought to every exam.
- Check that you meet the minimum attendance requirement (75%) for each course.
- Report any scheduling conflicts to the Controller of Examinations immediately.

4.2 During the Examination

- Arrive at the examination hall at least 15 minutes before the scheduled start time.
- Carry your NIT ID card and hall ticket.
- Electronic devices (phones, smartwatches, tablets) are strictly prohibited.
- Non-programmable calculators are permitted only where specified by the course instructor.
- No student may leave the hall during the first 60 minutes or last 15 minutes.
- All answer scripts must be submitted to the invigilator before leaving.

4.3 After the Examination

Results are published on the SIS portal within 30 days of the examination. Students may apply for revaluation within 10 working days of result publication by paying a revaluation fee of ₹500 per course. The revaluation is conducted by an independent evaluator, and the revised grade (whether higher or lower) replaces the original grade.

5. Fee Summary and Financial Information

The following table summarizes the fee structure for B.Tech students for the academic year 2024-25. For detailed fee regulations, payment methods, and refund policies, refer to the Fee Regulations (NIT/FEE/2024-25).

Fee Component	Amount (₹)	Deadline	Late Fee
Tuition Fee	1,25,000	September 15	₹500/day
Laboratory Fee	15,000	September 15	₹500/day
Library Fee	5,000	September 15	₹100/day
Examination Fee	2,000	October 10	₹300/day
Student Activity Fee	3,000	September 15	₹500/day
Technology Fee	7,500	September 15	₹500/day
Hostel Fee (Double)	25,000	September 5	₹250/day
Mess Fee (Monthly)	4,500	5th of month	N/A

5.1 Scholarships

NIT offers several scholarship programs for deserving students. Merit scholarships are awarded to students with a CGPA of 8.5 or above and cover 25% to 100% of tuition fees. Need-based scholarships are available for students with annual family income below ₹8,00,000. Sports scholarships covering up to 50% of tuition fees are available for students representing NIT or the state/nation in recognized events. Applications are accepted during the first four weeks of each academic year through the SIS portal.

5.2 Financial Hardship

Students facing documented financial hardship may apply for a fee instalment plan through the Office of Student Financial Services. The instalment plan allows fees to be paid in up to three equal monthly instalments. A processing fee of ₹500 applies. Applications must be submitted at least 10 working days before the fee deadline.

6. Code of Conduct

All students at NIT are expected to maintain the highest standards of personal and academic conduct. The following is a summary of the key expectations. For the full disciplinary framework, refer to the Disciplinary Regulations (NIT/DISC/2024-25).

6.1 Academic Integrity

NIT maintains a zero-tolerance policy towards academic misconduct. Plagiarism, cheating, fabrication of data, unauthorized collaboration, and proxy attendance are serious offences that may result in penalties ranging from a written warning to permanent expulsion.

6.2 Campus Conduct

Students must treat all members of the NIT community — fellow students, faculty, staff, and visitors — with respect and courtesy. Harassment, discrimination, bullying, and intimidation in any form are strictly prohibited. The consumption of alcohol, tobacco, and illegal substances is prohibited on campus.

6.3 Anti-Ragging

Ragging in any form is a criminal offence and is strictly prohibited at NIT. Penalties for ragging include immediate suspension, expulsion from the hostel, rustication for up to four semesters, or permanent expulsion. An anti-ragging helpline is available 24/7.

6.4 Grievance Redressal

Students who have grievances related to academic matters, hostel facilities, mess quality, or any other aspect of campus life may submit a written complaint through the SIS portal or in person to the relevant authority. If the grievance is not resolved within 10 working days, it may be escalated to the Dean of Student Affairs or the Vice-Chancellor's Office.

This handbook is a summary document. For the complete and legally binding text of all policies and regulations, please refer to the individual policy documents available on the NIT website at www.nit.edu.in/policies.
